PI-12 OSS Online Community Meeting – Welcome!

Oct 19, 2020

Paula Hunter, Executive Director

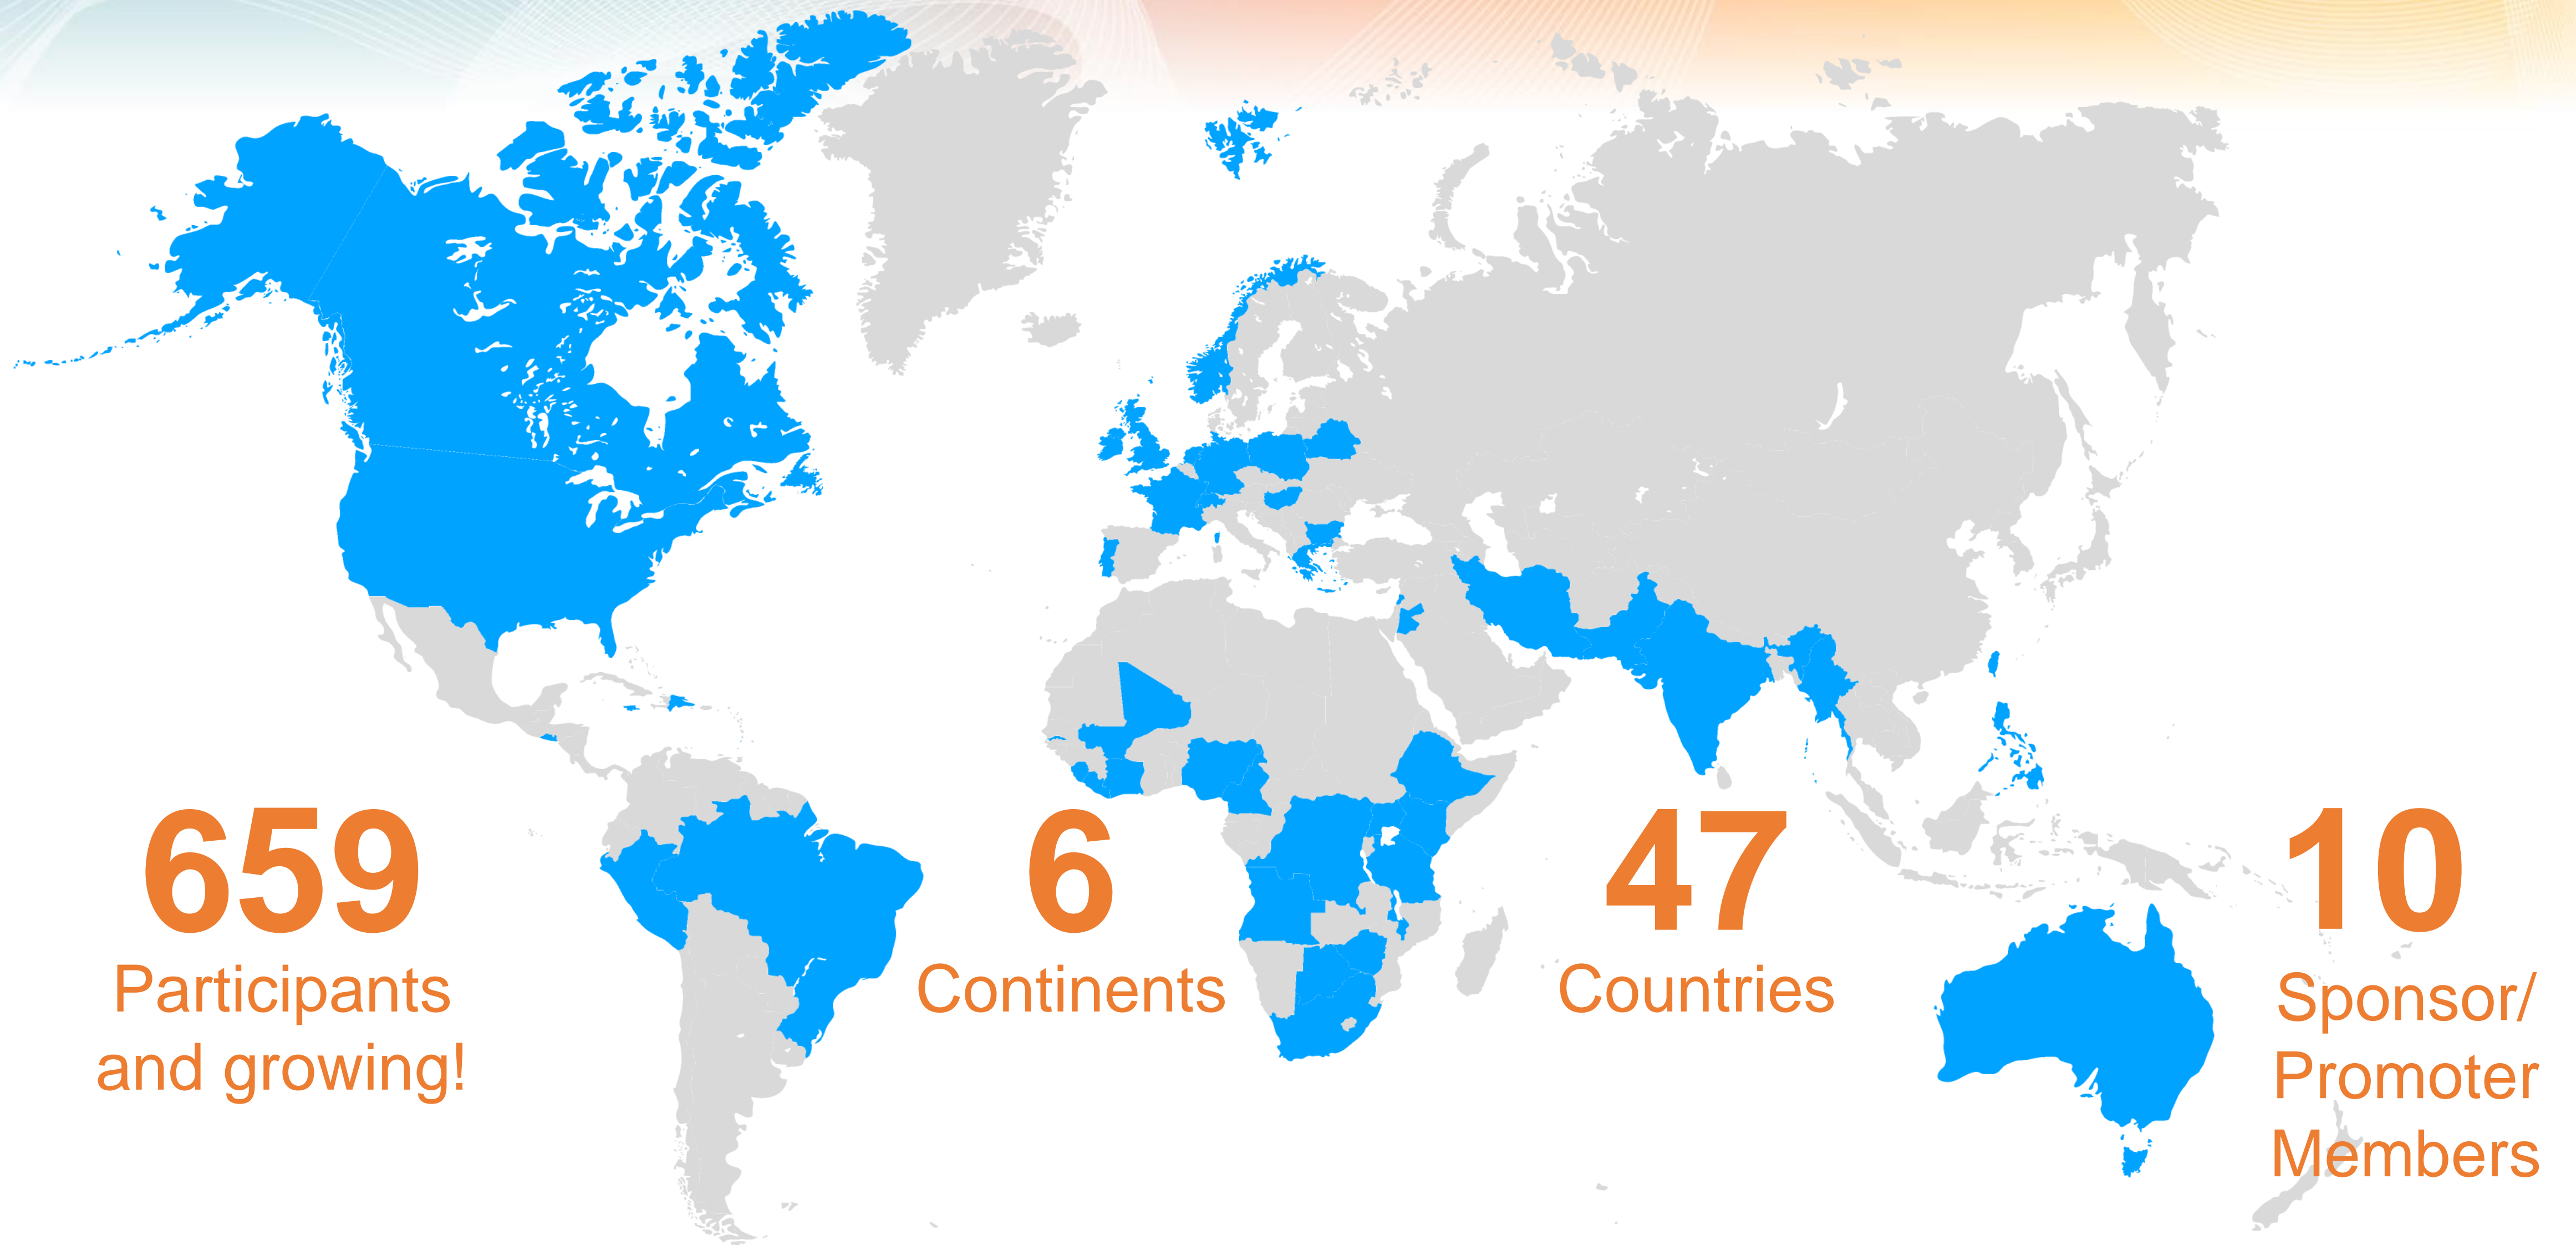

Our mission is to increase financial inclusion by empowering organizations creating interoperable payments systems to enable digital financial services for all.

About the Mojaloop Foundation

- Operates as a 501(c)(3) charitable organization and maintains its free, open source software and community as a public goods in service of financial inclusion.
- Focuses on expanding the work the Mojaloop project initiated in Africa, expanding its engagement where there is the greatest opportunity to directly affect financial inclusion through interoperable payments.
- Engage financial service providers, regulators, NGOs and governmental offices looking to address the critical challenges faced by local underserved communities.
